California possesses a delightful winter climate. Almost every day is balmy and full of sunshine. To live in such air a few months may save you a big doctor bill. It doesn't cost much to try. The Frisco line and Santa Fe route will carry you to Los Angeles, San Diego or San Francisco any day, on fast vestibuled express train, in Pullman or tourist sleeper. The journey is through New Mexico and Arizona, where heavy snowfalls seldom come. It is short, quick and comfortable-straight across, not round-about. Once a week personally-conducted excursions are run to the Pacific coast in tourist sleepers. Competent porters and agents in charge. Second-class tickets honored, and good care taken of ladies and children without escort. Very cheap rates for one way or round trip, now in effect. Write—Q. Wishart, G. P. A., Frisco line, St. Louis, Mo., for copy of California excursion leaf let and a handsomely illustrated book entitled "To California and Back." Nearest local agent of Frisco line or Santa Fe route will be glad to name ticket rates and furnish desired information about the trip. Don't be afraid to ask questions.
